VOLUME XII

John F. Kennedy Memorial High School has based its aims on the recognition that life is a continuing process in which students have the right and responsibility to grow

physically,

intellectually,

emotionally,

culturally,

socially,

morally and

religiously.

These aims are accomplished by helping the students to realize their call as Christian persons in society, and encouraging them to live their roles of service to self, to others, and to Almighty God.

TEARS AND

When night comes, the flower folds its petals and slumbers with Love, and at dawn, it opens its lips to receive the Sun's kisses, bespeckled by quick dartings of clouds which come, but surely go.

The life of flowers is hope and fulfillment and peace; tears and laughter.

The water disappears and ascends until it turns into clouds that gather upon the hills and valleys; and when it meets the breeze, it falls down upon the fields and joins the brook that sings its way toward the sea.

The life of clouds is a life of farewell and a life of reunion; tears and laughter.

KAHLIL GIBRAN

LAUGHTER

Your joy is your sorrow unmasked.

And the selfsame well from which your laughter rises was oftentimes filled with your tears.

And how else can it be?

The deeper that sorrow carves into your being, the more joy you can contain.

When you are joyous, look deep into your heart and you shall find it is only that which has given you sorrow that is giving you joy.

When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight.

ACTIVITIES

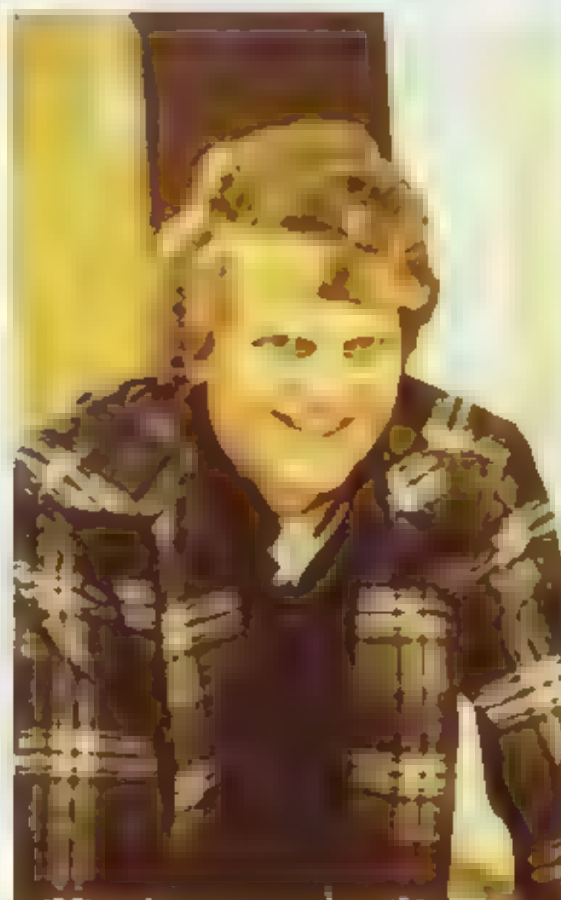

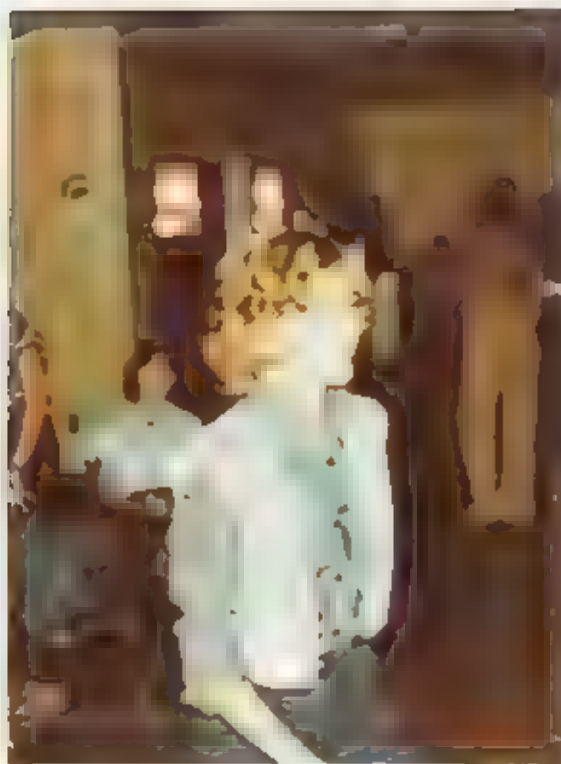

The laughter of man is the
contentment of God.

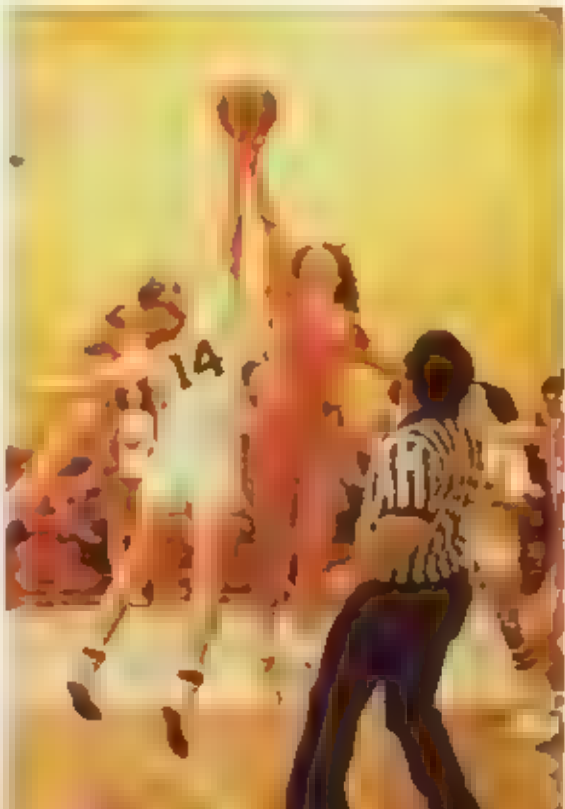

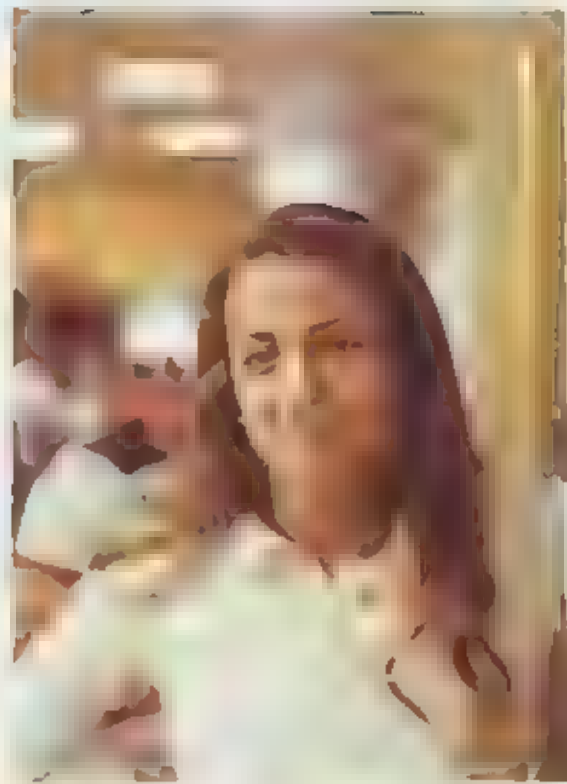

Laughter is the shortest distance
between two people.

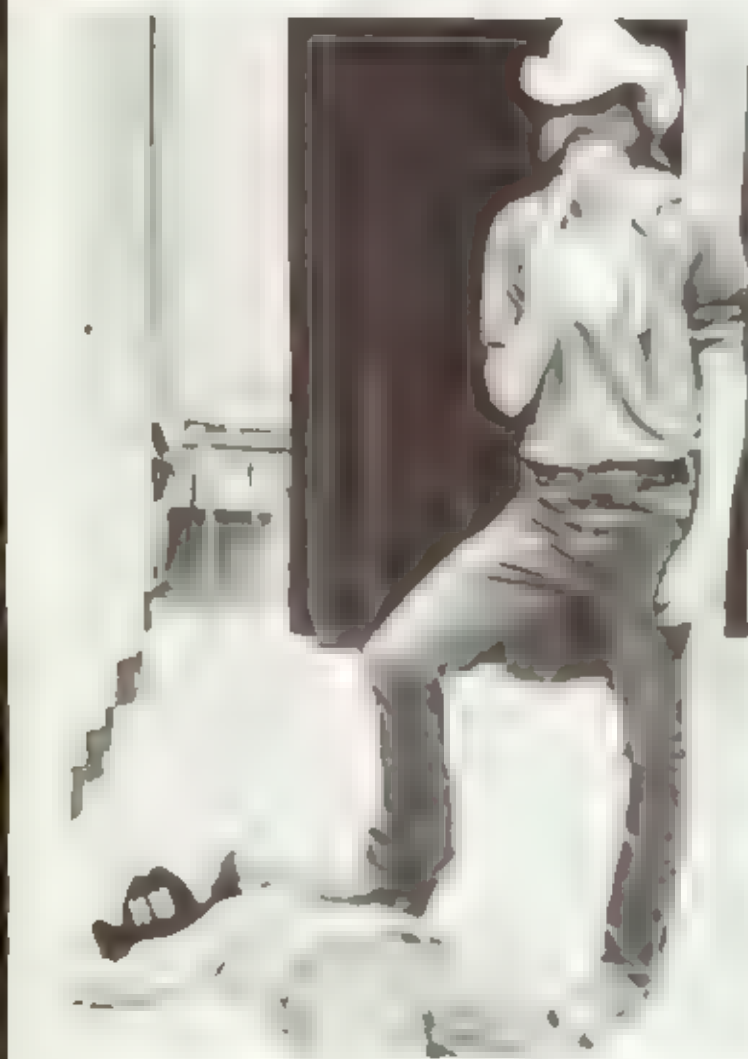

We must laugh before we are happy,
for fear of dying without
laughing at all.

ACTIVITIES

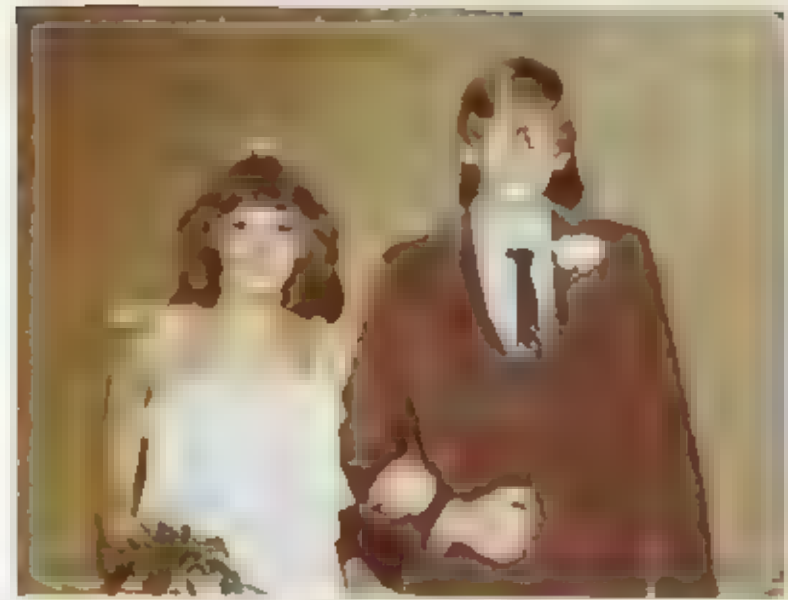

SPIRIT
WEEK

Spirit Week was a period of lively, vigorous competition between the four classes. The week's highlight was the pep assembly which included the awarding of the spirit stick to the senior class and the annual pie throwing contest. The climax came on Saturday with the grand parade of student floats. Seniors secured first place, but the entire student body displayed much support and enthusiasm

JFK . . . ASSEMBLIES

Traditional pep assemblies at JFK generate enthusiasm from the student body as well as the faculty. One assembly featured a hypnotist, Tom DeLuca; he proved to be very interesting. Other assemblies included competitive games between the student body and the faculty.

JFK . . . SKI TRIP

"Head for the Mountains" seemed to be the spirit slogan for the JFK students as they traveled to Galena, Illinois for the first ski trip from Kennedy. Many students who left amateurs came back ready for the Olympic team. Mr. Liberstein the daring moderator commented that a good time was had by all. The students at JFK hope to go again next year.

AMERICAN PROBLEMS CLASS

Signs and banners transformed the boys gym as the 1980 Mock Convention got under way at Kennedy. This small scale replica of the National Democratic and Republican conventions would result in the students' and faculty's choice of a Republican and Democratic President a candidate. Amid banner waving, chairman speeches, and confetti throwing the convention progressed. JFK's presidential nominees were both successfully elected on the first ballot. The Democratic nominee was President Jimmy Carter; the Republican nominee was Governor Ronald Reagan.

TALENT SHOW

Moderators
Ms R Bergschneider-Fr H Hauck

Doing good for others brings joy to the contributors as well. The Annual Faculty-Student Talent Show gives many the chance to learn this simple truth. Those who get on stage, who work behind the scenes, and who attend the performances are treated to a unique chance to see the real talents and the sometimes courage of Kennedy Faculty and Students. Proceeds this year were contributed to the 100 Neediest Cases, Reyes Syndrome Research and the Saint Louis Association for Retarded Children.

The purpose of the National Honor Society is to recognize those members of the Junior and Senior classes who have distinguished themselves not only in academic achievement but have demonstrated outstanding qualities of leadership, character and service to the school and community. Under the able leadership of this year's president, Sue Crump and her three officers, the Society members assisted at College Night and cooperated with the Guidance Department by tutoring students.

The Society is especially grateful this year for a new plaque that was partially donated to them by the Student Council.

FACULTY

Man is distinguished from all other
creatures by the
faculty
of laughter

Your laughter brings me joy

The case will be dismissed without
laughter

Men show their character in nothing more
clearly than by what
they think
laughable

We all need someone to kiss away our
tears

In any really good subject, one has only to
probe deep enough to come to tears

Let your eyes learn to drop tears at
command

Never a tear comes to the eye that time
and patience will not dry

"I would not exchange the laughter
of my heart for the fortunes
of the multitudes,
nor would I be content with
converting my tears,
invited by my agonized self,
into calm

It is my fervent hope
that my whole life
on this earth
will ever be tears and laughter

Tears that purify my heart
and reveal to me the secret
of life and its mystery,
Laughter that brings me closer
to my fellow men,
Tears with which I join
the broken-hearted,
Laughter that symbolizes joy
over my existence."
